

 **GRUPO EPELSA**

A close-up photograph of a scale's weighing mechanism, showing a green sensor and a white label being printed. In the background, a barcode is visible. The overall image has a light blue and white color scheme with decorative curved lines.

# What is THIS?

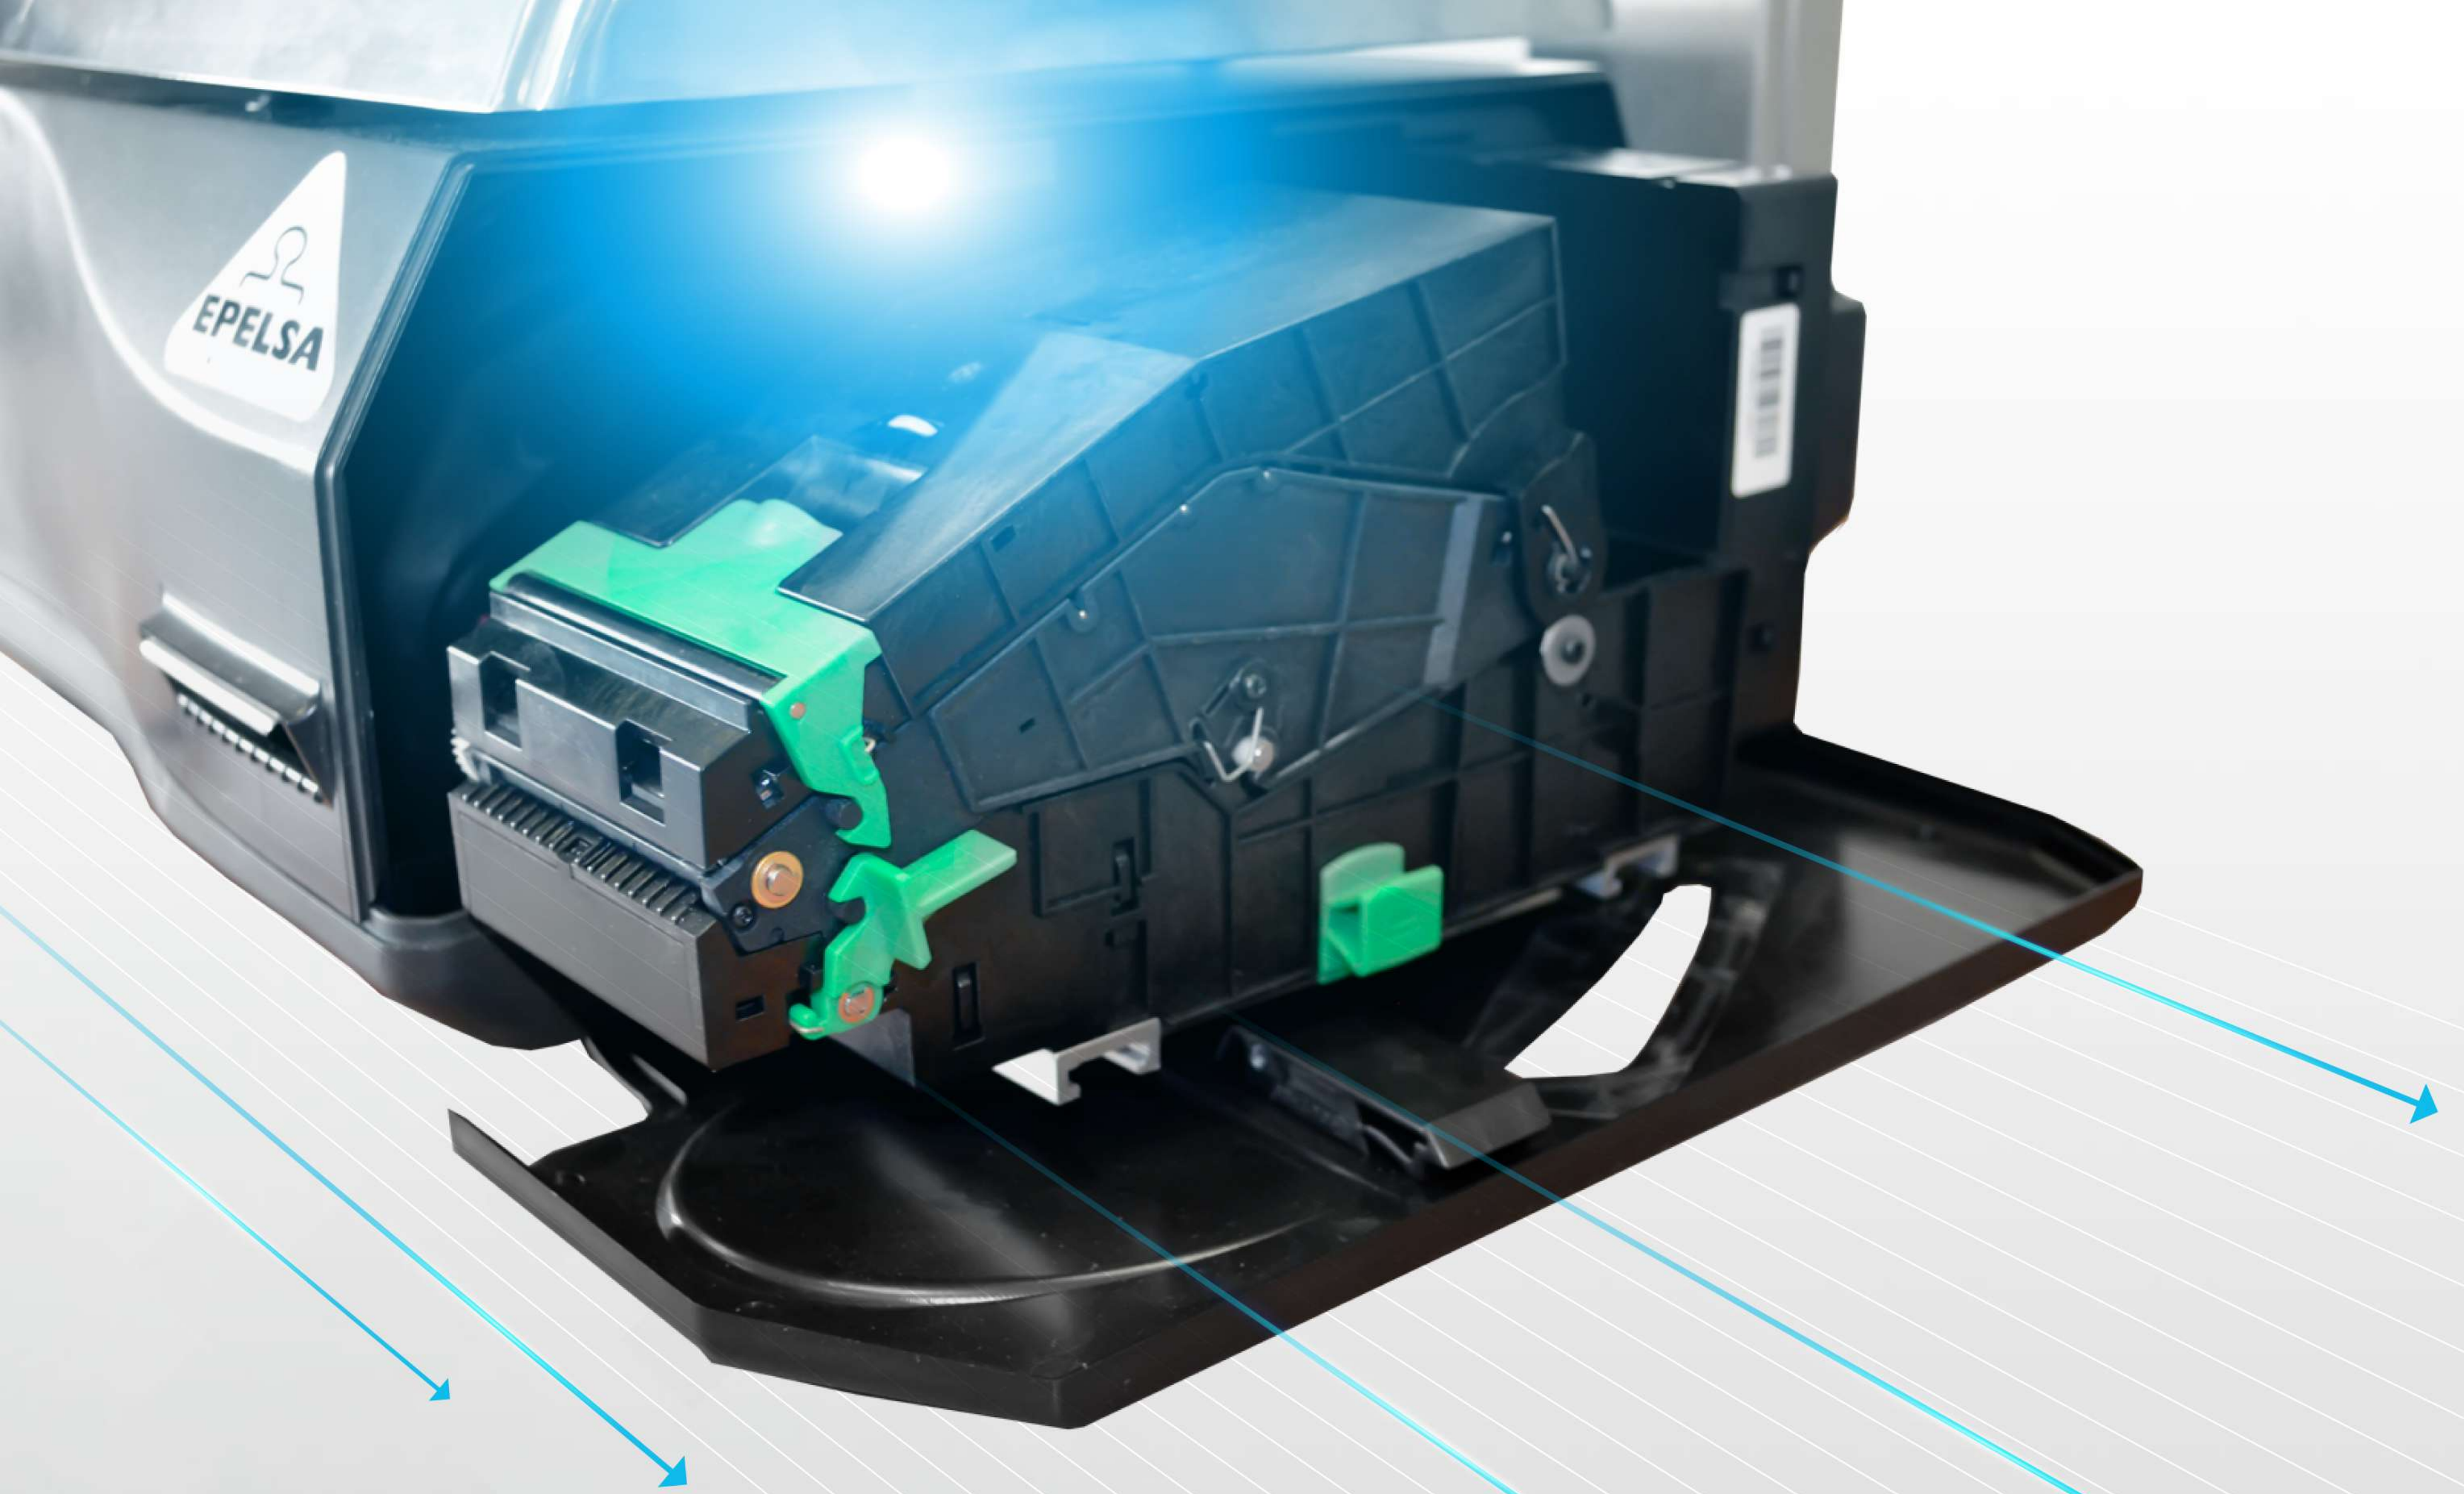

LINERLESS labellers are the new labeling systems integrated into the scales, INTELLIGENT DEVICES based on improved technology and mechanics that allow increase the performance of weighing equipment in supermarkets, making them FASTER, more COMFORTABLE and EFFICIENT.

A pair of hands is shown from the top, cupping a small, vibrant green plant with dark soil. The background is a dense field of similar green plants, creating a lush, natural setting. The lighting is soft, highlighting the texture of the soil and the delicate leaves of the plant.

ECO  
friendly

Not having a liner and grid reduces the amount of waste that was traditionally generated in previous labellers.

The environmental impact is reduced and its efficiency is increased.

## Easy Comfortable

Its removable mechanism allows easy access to the system for changing the roll.

## Fast charge

Ticket paper loading is done in a few seconds.

## Also

It has different openings for the insertion of the different rolls:

- Standard ticket
- Standard adhesive label
- Roll of large diameter tickets
- Linerless paper (paper type ECO adhesive, high reduction waste in printing)

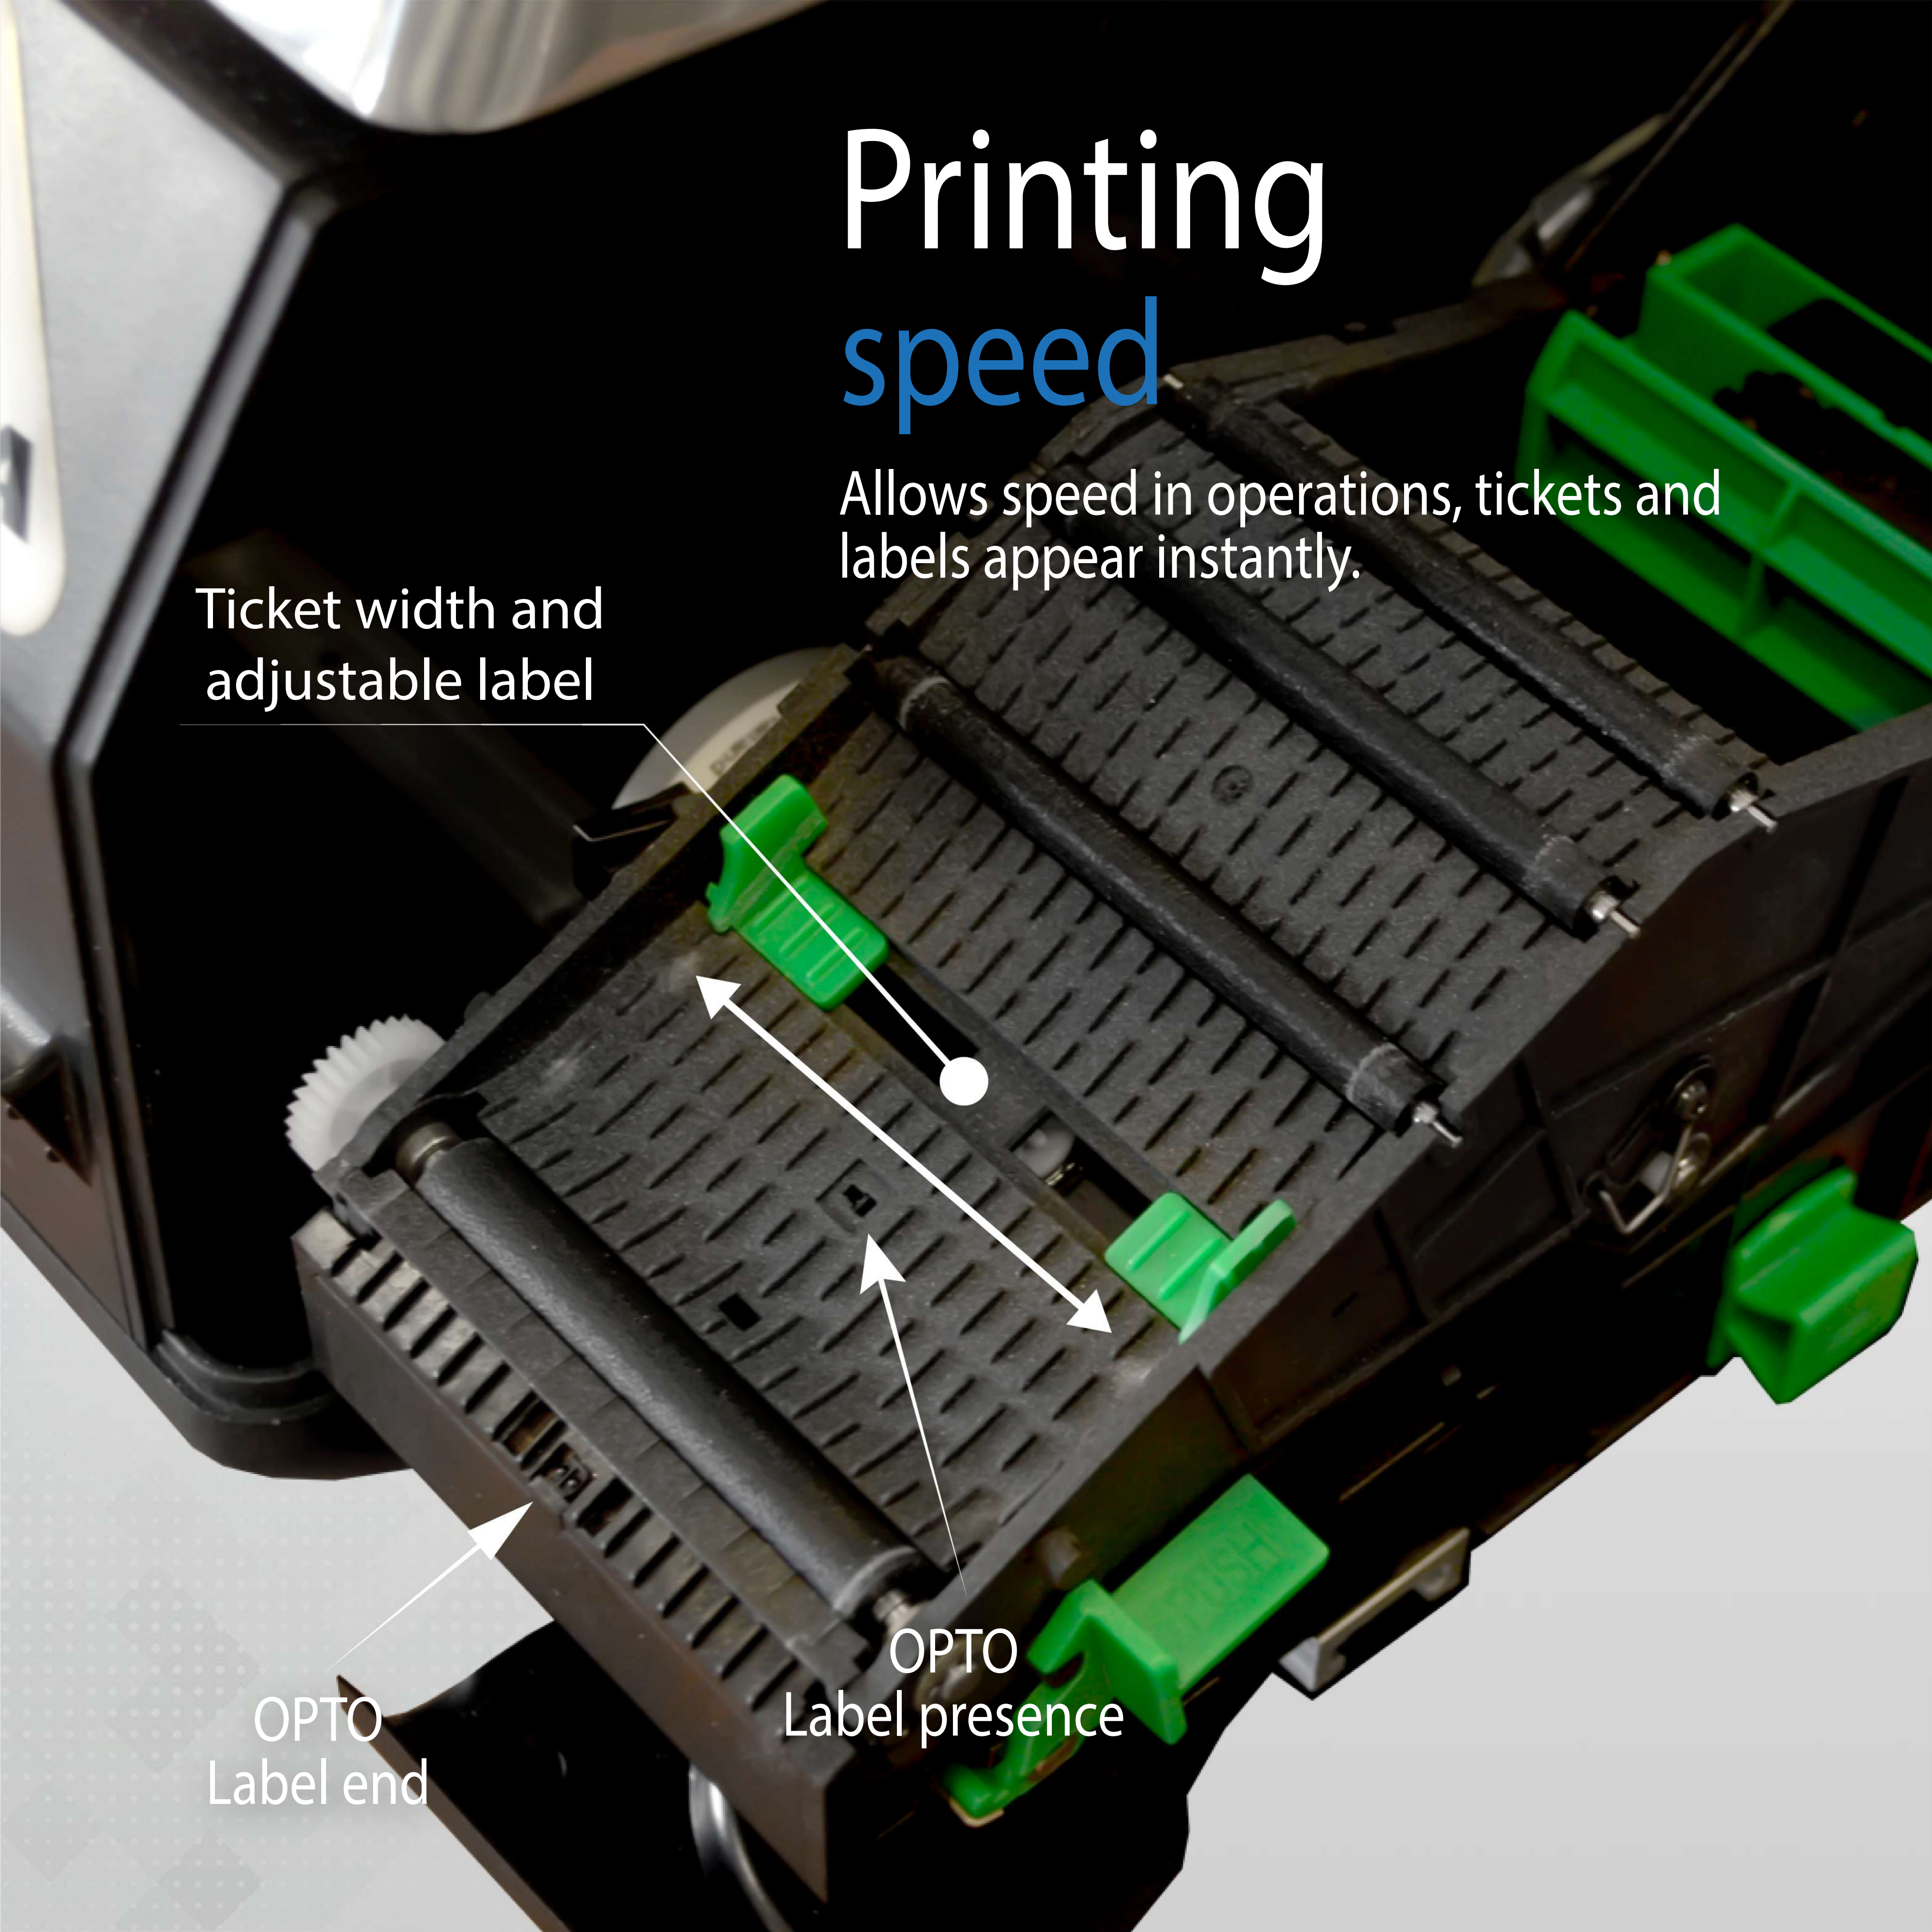

# Printing speed

Allows speed in operations, tickets and labels appear instantly.

Ticket width and adjustable label

OPTO  
Label end

OPTO  
Label presence

# High guarantee

Resolution 8 dots  
per millimeter (203ppp)

Excellent graphics quality, allows the printing of logos, barcodes and all kinds of characters

# Summary

## Linerless Features

INTELLIGENT PRINTING DEVICE FOR SCALES

FAST, COMFORTABLE AND EFFICIENT MECHANISM

EFFECTIVE WASTE REDUCTION

ALLOWS ROLL CHANGE IN A FEW SECONDS

GREATER SPEED IN THE PRINTING OF TICKETS AND LABELS

HIGH GRAPHICS QUALITY

ALLOWS THE USE OF DIFFERENT TYPES OF ROLLS  
OF TICKETS AND LABELS

*Standard roll of labels, paper roll of  
printer, continuous adhesive or linerless paper*

PRINT LOGOS, BARCODES AND ALL KINDS  
OF CHARACTERS FOR A LARGE NUMBER OF LANGUAGES
