## ALL SECTORS

EPELSA has different brands to market its products and facilitate the work of its more than 600 distributors:

# RETAIL

## SATURN RANGE

PC SCALE  
TOUCHSCALE K-SCALE OPENSACLE

Combines traditional weighing with a scale with the most modern technology and software constantly evolving, adapted to requirements of all types of business.

## TOUCHSCALE XS RANGE

Economical touch screen scales with high performance, power and versatility.

## EUROSCALE and JÚPITER RANGE

Reliability and robust.

## MARTE RANGE

Versatility at the best price.  
The ideal equipment for small business.

## NEPTUNO RANGE

Wide and varied range of weighing equipment with good quality for internal use.

## BASIC RANGE

Range of scales with adapted features to specific needs and activities.

# INDUSTRIAL

## INDUSTRIAL SCALES AND ASSEMBLIES

Compact and robust equipment that includes a viewer and platform with different functionalities: weight-tare, piece counting and/or cControl +/-, etc.

## WEIGHT INDICATORS AND REPEATERS

Indicators designed for different demands, environments and work modes in the industrial weighing area.

## PLATFORMS

Single loadcell and 4-loadcell platforms. Wide variety of sizes and capacities with different finishes: painted steel, galvanized or stainless steel.

## WEIGHBRIDGE SCALES

Truck weighing scales, railway, axle weighing, advice, installation, calibration, verification, after-sales service.

## LOADCELLS

Wide range of treated steel cells thermally and nickel plated or stainless steel

## SPECIAL and CUSTOM EQUIPMENT

We project, design and manufacture in a way custom equipment adapted to your sector.

## EASY SHOP

HYPERCONNECTED STORES  
TECHNOLOGY AROUND THE SCALE

Easy Shop transforms supermarkets into spaces hyperconnected and technological by using PC Scales that form an interconnected and self-managed network.

## NAUTILUS

A DEFINITIVE DIGITAL  
TOOL TO CONTROL YOUR  
RETAIL SHOP

Software for the management and control of PC range scales based on web technology. It allows the management of scales remotely, achieving your scale system connected to the cloud and perfectly operational in a few steps.

## ZEROWASTE

WEIGHING  
MANAGEMENT WASTE

Get track of waste and save.  
Responsible consumption and sustainability solution  
Suitable for retail and industrial sectors.

## eTAG

aDRESS  
uPDATE  
eDIT  
dELETE

UPDATE, EDIT AND DELETE  
THE INFORMATION ON THE LABELS  
ELECTRONICS FROM THE SCALE

Connecting the PC scale to electronic labels modernizes and optimizes product management by reducing paper, waste and improving operational efficiency.

## CUSTOM SOLUTIONS

ADVICE AND  
MANUFACTURING

We project, design and manufacture in a way personalized equipment adapted to your sector and function, including metrological verification and maintenance work.
